Settlement of Kerebandi or Kerekolaga inams and kodigi inams enjoyed in kind—Passing orders on the—

Proceedings of the Chief Commissioner of Mysore, Department of Revenue, Agriculture and Commerce, 20th July 1877.

From the Inam and Survey Commissioner, Mysore, To the Offg. Secretary to the Chief Commissioner of Mysore, General Department, No. 768, dated Yellapoor, 31st May 1877.

With reference to Chief Commissioner's No. 9620—43 of the 20th December last, para 6, I have the honor to forward a statement of the inams already settled by the Inam Department, together with a letter from the Superintendent, Inam Settlement, in which he gives an opinion, which was not asked for, deprecating any interference with the settlement already made, alluded to as a possible contingency in the Chief Commissioner's orders above referred to

2 A list is also forwarded of the nature called for in para 8 of the Chief Commissioner's order under reply. It appears from the Inam Superintendent's letter accompanying that, since December 1872, these inams have been confirmed on the then existing terms of share of produce of certain lands without that share of produce being valued by the Inam Department. It any were ever confirmed and a valuation of share of produce was made is not stated and appears doubtful.

3. If an immediate settlement of these inams be desired, it may be advisable to direct the Inam Superintendent to effect a valuation of the recorded shares at once. If the land in question has not been surveyed and settled, then I would suggest that the Government batayi realizations on the land in question be ascertained for an average of the last three years and that those batayi realizations be assumed to represent one fourth of the gross produce, on which whole gross produce so ascertained the value of the inamdar's share should be calculated It is true that Government batayi realizations should be considerably more than one fourth of the gross but in practice it may be exceedingly doubted if they were ever much more than that proportion. In calculating the value of the inamdar's share of the produce on a produce estimated at four times the Government batayi realizations, no inamdar could deny that a fully liberal base had been adopted.

4. If however an immediate settlement of these cases is not required, as regards inams in taluks not yet settled, I would suggest that dealing with these inams be postponed till the survey settlement is made, and then that the gross produce be assumed at seven times the survey assessment which I believe will be on the average a sufficiently accurate proportion to assume; the calculation of the value of the inamdar's share therefrom on the proportion named in the inam register will be a simple process.

5. Even if the Inam Department did make a valuation of the inamdar's share before December 1872 which is not quite clear, such valuation could be of little value, and if it had not been carried into effect as a cash payment, it would be better to deal with all these cases on one uniform system, and according whether the village had been settled or not I would suggest the application of the modes proposed in the above paras.

6. Copy of Inam Superintendent's letter No. 363 of 2nd December 1872, on which Inam Commissioner's No. *1695 of 11th December 1872 was issued, is appended, from which the nature of these inams will be readily understood.

Copy also appended

From the Superintendent of Inam Settlements, in Mysore, To the Inam Commissioner in Mysore, No. 109. dated Bangalore, 2nd February 1877.

In reply to your No. 91 of the 22nd ultimo, I have the honor to submit a detailed list of the kerebandi, &c, inams confirmed by this department up to the date of the receipt of the Chief Commissioner's Proceedings No 9620—43 of the 20th December 1876.

2. These inams have all been confirmed on half quit-rent in commutation of the service hitherto rendered, and the title-deeds have been issued for them as hereditary and transferable properties. The quit-rent has also been collected from the date of confirmation; the rate, however, has not been altered by the new rules. I apprehend, therefore, that the tenure in these cases cannot now be well altered to enjoyment for life only, especially in those cases in which others have bought the lands on the faith of the title-deeds already issued. Such a course would shake the faith of the people in the finality of our title-deeds, and would afford an awkward precedent for the alteration of all our settlements under future Governments; and yet it will be hard on the holders of the kerebandi inams not yet settled to confirm them for life only.

Proceedings of the Chief Commissioner of Mysore, Department of Revenue, Agriculture and Commerce, 26th March 1877.

From the Superintendent of Inam Settlements, To the Offg. Secretary to the Chief Commissioner of Mysore, General Department, No. 105, dated Bangalore, 6th February 1877.

With reference to the Chief Commissioner's Proceedings No. 9620—43 of the 20th December 1876, para 3, I have the honor to report that 3,036 kodigi inams have been disposed of as follows:—

1.	Classified under Precis No. 18, *viz.*, A 12, B 182, C 1,477, Total..	1,671
2.	Resumed	726
3.	Struck off	411
4.	Confirmed in kind..	12
5.	Do do inam villages	216
		3,036

2. Title-deeds for 825 kodigi inams were prepared; but, as a form of *ad-interim* certificate was proposed for inams in general and the final orders of Government were expected for the disposal of the kodigi inams, the preparation of title-deeds was discontinued.

3. There are several points on which I would request to be favored with instructions. I presume that the certificates to be given by the *Chief Revenue Officer* of *each* District is to certify to the state of the tank on and after the 16th September 1874.

4. During the settlement of a taluk, a register of the kodigi inams was furnished by the Amil, in which the then state of each tank was noted, and the condition of each tank was also noted on the Inam Register; but, according to the Proceedings under reference, the certificate must now be given by the Chief Revenue Officer, or the Deputy Commissioner. In some Districts the Deputy Commissioner will not be able to certify from any personal knowledge of the state of the tank in September 1874. It does not appear whether the Deputy Commissioners are to grant these certificates after personal inspection or not, though in many cases the utter dis-repair of the tank may have been noted in the returns for years past and the certificate could be issued at once.

5. I offer these remarks, as I propose to forward to each Deputy Commissioner a list of the kodigi inams in each Taluk of his District, and apprehend considerable delay in the receipt of the certificates, which are requisite for the completion of the title-deeds, or rather of the *ad-interim* certificates.

6. This leads to the consideration of the queston as to whether the excess is to be charged in these inams? If so, the prescribed *ad-interim* certificate can alone be issued at present. I am, however, of opinion that, in the case of tanks which have been fairly maintained in accordance with the terms of the grants, the value of the inams has been in utter dis-proportion to the cost of maintenance in very many cases, and that the land as now held might fairly be assigned, especially, as I roughly calculate, that more than a half of the kodigi inams will be confirmed only for the life of the present holders.

7 In many cases these inams are only borne out by the sthal or chor inamti accounts and are liable to ½ quit-rent on account of the invalidity of their tenure, but no provision has been made for such cases in the present rules, unless it is proposed to deal alike with valid and invalid inams on account of the responsibility hitherto attached, but I would propose that all those which come under Clause 2 of Rule II should be resumed.

8. The number of kerebandi and other minor inams granted for petty repairs to tanks, already registered and disposed of, amounts to about 473, of which 303 were confirmed on ½ quit-rent, 92 were resumed, 76 were struck off, and 2 confirmed for service in inam villages.

A separate list will be submitted to the Inam Commissioner, in accordance with para 6 of the Proceedings; but I shall feel obliged by your informing me whether the list is to give the details of area, assessment, &c. in total for each taluk or in detail for each inamdar.

9. In some cases the kodigi inams have been resumed by the Revenue authorities, or on their recommendation, subsequent to the 16th September 1874. I presume that such resumptions will have to be cancelled, and the cases dealt with under the new rules?

3. The total number of these inams already settled amounts to 301 ; and, according to the available returns, the number still remaining for disposal is as follows :—

In Bangalore District		39
Dodballapur	25	
Closepet	14	
	39	
In Hassan District		443
„ Mysore „		72
Total..		554

4. A list of such inams in kind, alluded to in para 8 of the Chief Commissioner's Proceedings, will be separately submitted, but I may add that these are only 44.

From the Superintendent of Inam Settlements, To the Inam Commissioner in Mysore, No. 110, dated Bangalore, 26th February 1877.

In continuation of my No. 109 of the 22nd instant, I have now the honor to submit the list of kodigi inams, which have been hitherto enjoyed in kind. It will be observed that, in most of the cases, the kodigidars enjoy one-fifth of the produce, and that the value of the one-fifth share in each case has not been recorded.

2. It would appear that, after the receipt of your No. 1695 of the 11th December 1872, directing the inams in such cases to be confirmed on the existing tenure, the enquiry regarding the value of the share during the past 10 or 15 years was discontinued. I would presume that the survey valuation will now be adopted.

From the Superintendent of Inam Settlements, To the Inam Commissioner in Mysore, No. 363, dated Camp Mulbagal, 2nd December 1872.

I find that, out of 566 tanks in this taluk (Mulbagal,) there are no less than 422 kodigi tanks. In the case of 10 tanks the lands are under batai, and the kodigidar receives a 4th or 5th share of the produce as his kodigi inam. I have directed that these inams should be confirmed on the existing tenure, and that the question of the allotment of land should be left to the operations of the Survey Settlement. In the event of the kodigi system being abolished, the disposal of the claims of these kodigidars can be separately dealt with.

2. I shall feel obliged by your informing me whether these instructions meet with your approval.

Memorandum by the Survey, Settlement and Inam Commissioner of Mysore, No. 1695, dated Poona 11th December 1872.

The course adopted in the case of certain kodigi inams, as described in Captain Cole's letter No. 363 of the 2nd instant, appears to be correct.

No. 4020 – Rev. 88, dated Bangalore, 20th July 1877.

Order thereon.—From the statement submitted with the foregoing letter, it would appear that 301 kerebandi or kerekolga inams (granted for the petty repair of earth work on tanks) have already been settled by the Inam Department, and that the number still remaining for disposal is 554. The Chief Commissioner concurs with the Superintendent, Inam Settlements, in thinking that Rule III of the rules for the enfranchisement of kodigi inams in Mysore should not have retrospective effect in those cases already confirmed on a quit-rent on a permanent tenure, in accordance with Mr. Bowring's orders, and the Government of India will be addressed on the subject.

2. The inams remaining to be settled will, under the said rule, be confirmed to the present holders for life only. In the event of an inamdar dying during the course of the inam enquiry and before settlement actually takes place, the inam may be confirmed in the name of his legal representative and continued for his life, provided no alienation has taken place pending settlement, in which case the alienation ought not to be recognized. In the absence of legal heirs, the inam will be resumed

3. With regard to kodigi inams enjoyed in kind, it would appear that, since December 1872, only 44 have been confirmed on the existing tenure, leaving the question of the allotment of land to the operation of the survey.

The Inam Commissioner has raised the question whether the settlement of these inams may not, with advantage, be postponed till after the completion of the survey settlement. On this point, the Chief Commissioner observes that the holders of kodigi inams having been relieved of their obligation to keep their tanks in good repair, that duty now devolves on the Government, who would lose the quit-rent that might be collected during the period the settlement is postponed. Mr. Saunders considers, therefore, that the settlement should be proceeded with both in settled and unsettled taluks.

4. The method proposed by Colonel Anderson in paras 3 and 4 of his letter, for calculating the inamdar's share of the produce, is approved. The Chief Commissioner presumes that where the inamdar's share is computed on the assessment, the valuation would be based on the assessment of *occupied* as well as *unoccupied* lands ; and in the case of those inams settled before December 1872, the valuation may be determined in the manner above indicated, if they have not yet been commuted into cash payments.

5. After the value of the inamdar's share has been ascertained, it may be commuted into a money payment in the first instance under Rule XI of the rules for the settlement of ready money grants, option being given to the inamdar of applying for a grant of land in lieu under clause 2 of the said rule. The quit-rent imposed may be either levied from the land or deducted from the cash allowance.

Settlement of Kerebandi or Kerekolaga inams and kodigi inams enjoyed in kind—Passing orders on the—

Proceedings of the Chief Commissioner of Mysore, Department of Revenue, Agriculture and Commerce, 26th March 1877.

From the Superintendent of Inam Settlements, To the Offg. Secretary to the Chief Commissioner of Mysore, General Department, No. 105, dated Bangalore, 6th February 1877.

With reference to the Chief Commissioner's Proceedings No. 9620—43 of the 20th December 1876, para 3, I have the honor to report that 3.036 kodigi inams have been disposed of as follows :—

1. Classified under Precis No. 18, *viz.*, A 12, B 182, C 1,477, Total..	1,671

3. Struck off	411
4. Confirmed in kind..	12
5. Do do inam villages	216
	3,036

2. Title-deeds for 825 kodigi inams were prepared ; but, as a form of *ad-interim* certificate was proposed for inams in general and the final orders of Government were expected for the disposal of the kodigi inams, the preparation of title-deeds was discontinued.

3. There are several points on which I would request to be favored with instructions. I presume that the certificates to be given by the *Chief Revenue Officer* of *each* District is to certify to the state of the tank on and after the 16th September 1874.

4. During the settlement of a taluk, a register of the kodigi inams was furnished by the Amil, in which the then state of each tank was noted, and the condition of each tank was also noted on the Inam Register ; but, according to the Proceedings under reference, the certificate must now be given by the Chief Revenue Officer, or the Deputy Commissioner. In some Districts the Deputy Commissioner will not be able to certify from any personal knowledge of the state of the tank in September 1874. It does not appear whether the Deputy Commissioners are to grant these certificates after personal inspection or not, though in many cases the utter dis-repair of the tank may have been noted in the returns for years past and the certificate could be issued at once.

5. I offer these remarks, as I propose to forward to each Deputy Commissioner a list of the kodigi inams in each Taluk of his District, and apprehend considerable delay in the receipt of the certificates, which are requisite for the completion of the title-deeds, or rather of the *ad-interim* certificates.

6. This leads to the consideration of the queston as to whether the excess is to be charged in these inams? If so, the prescribed *ad-interim* certificate can alone be issued at present. I am, however, of opinion that, in the case of tanks which have been fairly maintained in accordance with the terms of the grants, the value of the inams has been in utter dis-proportion to the cost of maintenance in very many cases, and that the land as now held might fairly be assigned, especially, as I roughly calculate, that more than a half of the kodigi inams will be confirmed only for the life of the present holders.

7 In many cases these inams are only borne out by the sthal or chor inamti accounts and are liable to ½ quit-rent on account of the invalidity of their tenure, but no provision has been made for such cases in the present rules, unless it is proposed to deal alike with valid and invalid inams on account of the responsibility hitherto attached, but I would propose that all those which come under Clause 2 of Rule II should be resumed.

8. The number of kerebandi and other minor inams granted for petty repairs to tanks, already registered and disposed of, amounts to about 473, of which 303 were confirmed on ½ quit-rent, 92 were resumed, 76 were struck off, and 2 confirmed for service in inam villages.

A separate list will be submitted to the Inam Commissioner, in accordance with para 6 of the Proceedings ; but I shall feel obliged by your informing me whether the list is to give the details of area, assessment, &c. in total for each taluk, or in detail for each inamdar.

9. In some cases the kodigi inams have been resumed by the Revenue authorities, or on their recommendation, subsequent to the 16th September 1874. I presume that such resumptions will have to be cancelled, and the cases dealt with under the new rules ?

No. 13103—Rev. 371, dated Bangalore, 26th March 1877. 5

Order thereon.—With reference to para 3 of the above letter the Chief Commissioner observes that the object of making the rules retrospective from September 1874 was to include in their provisions kodigi tanks that have been resumed since that date. No investigation is necessary as regards such kodigi inams as were resumed prior to 16th September 1874.

2. As regards inams resumed since that date the certificate as to condition will not be requisite as the resumptions will be cancelled and the inams continued to the holders, under the rules, for life, on ½ assessment. The very fact of the inams having been resumed is *primâ facie* proof of the original conditions not having been fulfilled and no further enquiry on the point seems, therefore, necessary.

3. With regard to the kodigi inams not resumed, the certificate required by the rules should have reference to their present condition as personally observed by the Deputy Commissioner or reported upon by the Sub-Divisional Officer.

4. The Deputy Commissioners are requested to have a statement in the annexed form prepared and forwarded to the Inam Superintendent, who will accept the remarks in column 10, in each case, as the certificate required under the rules. On receipt of these statements the settlement of the kodigi inams may be proceeded with

Statement shewing the State of Kerebadigi and Kerebandi Inams in the District of

Taluk.	Hobli	Village.	Tank No.	Name of Tank.	Name of present holder of inam.	Jodi payable in 1875—76 as per Inam Account.			Certificate as to whether the conditions of the grant have been fully complied with and whether the tank is in use.
						Due to Government for 1875—76	Not recovered since a long time.	Total.	
1	2	3	4	5	6	7	8	9	10

Kerebandi inams, even though they have been already settled, should be included in this statement.

5. In reply to Major Cole's enquiry whether "the excess is to be charged in these inams?", the Chief Commissioner observes that, under the present rules, what were originally kodigi *service* inams, have been converted into personal inams, and that the rules for charging excess in the case of personal inams apply equally to the kodigi inams.

6. The proposal to resume all inams which come under Clause 2 of Rule II of the Kodigi Rules now sanctioned, if they are borne out only by the sthal or chor inamti accounts, does not meet with Mr. Saunders' approval. Although it may be said that the duty of Government does not extend, (now that the responsibilities attaching to the holders of kodigi inams have been abrogated) to the necessity of perpetuating inams which have hitherto been enjoyed on no sufficient authority or title, yet as a doubt may exist as to the defect in title having been cured by Government having virtually accepted the kodigi service of the holder of the chor inam, the Chief Commissioner considers it inadvisable to authorize resumption in these cases, the number of which does not exceed 131.

7. The Inam Superintendent is informed with reference to para 8 of his letter, that the list of kerebandi and other minor inams granted for petty repairs to tanks, called for in para 6 of this Office Proceedings No. 9620—43, dated 20th December 1876, should give the particulars of area, assessment, &c., in detail for each inamdar, as it is intended, if necessary, to revise the settlement in each case.

T. CLARKE,
Offg. Secretary.

To—The Superintendent of Inam Settlements.
,, Commissioners of Divisions.
,, Deputy Commissioners of Districts.

Where such certificate cannot be furnished, inams of this class will be confirmed to the present holders on ½ assessment for their life, and on their death will be brought under full assessment.

III. Minor inams known as kerebandi, kerekolga and others of the same kind, granted for the petty repair of the earth-work of tanks, will be confirmed to the present holders on ½ assessment for their life, and on their death will be brought under full assessment.

IV. Kodigi inams in rent-free villages, as also in jodi or quit-rent villages, when their up-keep rests with the jodidars, will be confirmed on the existing conditions, subject to such regulations for the due and efficient maintenance of such tanks as may be laid down by the Irrigation Department under the authority of the Chief Commissioner

2. With regard to the rule vetoed by the Governor General in Council—whereby it was provided that inams granted for the "*construction*" of tanks by private individuals when such tanks were made over to the Government and up-keep rested with the State should be enfranchised at ⅛ quit-rent—the Chief Commissioner observes that, though the responsibility of the inamdar in such case ceased with the construction of the tank, the imposition of a quit-rent is necessary to make the inam perpetual and alienable by sale, gift, or otherwise. Inams of this class may, as a rule, be confirmed to the holders without imposing any additional burden on them, but it will be optional with them to acquire the powers of alienation by payment of ⅛ quit-rent. When no quit rent is imposed, the inams will be continued to the holders and their descendants by birth or adoption as laid down in Inam Rule VI, Clause B.

3. The Inam Superintendent is requested to report how many kodigi inams have been settled by his Department and in how many cases the title-deeds are ready for issue. The investigation of these inams having been nearly completed in the Nundydroog and Nagar Divisions, the quit-rent as now sanctioned will be collected from the date on which the title-deeds are issued. In the Ashtagram Division, the collection of the quit-rent may be deferred till the inam settlement is effected.

4. The maintenance of kodigi tanks having now devolved on the State, the Officiating Chief Commissioner directs that the combined quit-rent, including the former jodi, now to be imposed, be credited to the irrigation cess fund of Districts.

5. The minor inams known as kerebandi or kerekolga, granted for the repair of earth-work on tanks, being similar to kodigi inams, the quit-rent now levied on them may likewise be credited to the irrigation cess fund.

6. With reference to the provisions of Rule III, the Inam Commissioner is requested to submit a list of minor inams of the class referred to therein, which have been already settled by the Inam Department in perpetuity on ½ quit-rent, in view to steps being taken if thought advisable, to revise the terms of such settlement in accordance with existing rules which limit the grant for life only.

7. The Officiating Chief Commissioner is pleased to declare that the rules nowpromulgated shall have retrospective effect from the 16th September 1874.

8. The case of kodigidars who have no grants of land, but are paid in kind or money, will be separately dealt with, and the Survey and Inam Commissioner is requested to furnish particulars of these, with his opinions as to the mode of settlement he would propose in such cases.

Proceedings of the Chief Commissioner of Mysore, Department of Revenue, Agriculture and Commerce, 20th December 1876.

From the Offg. Secretary to the Chief Commissioner of Mysore, To the Secretary to the Government of India, Foreign Department, Simla, No. 4758—R. 74, dated Bangalore, 8th August 1876.

In reply to your letter of the 18th ultimo No. 3 R. I., stating that before passing final orders on the proposal submitted in this Office letter No. 1625—24, dated the 27th May last, on the subject of the enfranchisement of kodigi inams in Mysore, the Governor General in Council desires to be furnished with the opinion of the Chief Commissioner thereon, I am directed to state that after perusal of the correspondence on the subject, Mr. Saunders is disposed to concur fully in the views expressed by the late Offg. Chief Commissioner as to the measure therein proposed for the commutation of the kodigidar's tenure by the imposition of a quit-rent with the attendant advantages of enfranchisement.

2. In the opinion of the Chief Commissioner the imposition of the moderate rates of quit-rent, recommended by Sir Richard Meade in para 12 of this Office letter No. 5548—152 R., dated 21st December 1872, as an equivalent for the abolition of the obligations imposed upon the inamdars by the kodigi tenure, seems perfectly just, and the benefits which the measure would confer on the holders will doubtless be favorably viewed by them.

3. As there are no valid grounds for altogether relieving the kodigidars from the obligations under which they have hitherto held their lands other than the fact of the difficulty which is experienced in enforcing the fulfilment of the service for which they were granted, *viz.*, the construction and up-keep of their tanks, the Chief Commissioner would strongly recommend the adoption of Mr. Dalyell's proposals, more especially as he has shewn that the probable realizations from the proposed quit-rent will afford no inconsiderable addition to the irrigation cess fund of Districts towards the repair of irrigation works.

From the Under-Secretary to the Government of India, Foreign Department, To the Chief Commissioner of Mysore, Revenue, (Irrigation), No. 7, R. I, dated Simla, 7th November 1876.

With reference to correspondence ending with the letter from your Office No. 4758—R. 74, dated 8th August 1876, on the subject of the proposed enfranchisement of kodigi inam lands in Mysore, I am directed to state that the Honorable the President in Council sanctions the proposal made by Sir Richard Meade in his letter No. 5548—152 R., dated 21st December 1872, to commute the kodigidar's tenure, by the imposition of a quit-rent with the attendant advantages of enfranchisement.

2. His Honor in Council also approves the rules recommended by Sir Richard Meade in paragraph 12 of the above quoted letter, with the exception of Rule No I, whereby it is provided that inams granted for the construction of tanks by private individuals, when such tanks were made over to the Government and the up-keep rested with the State, should be enfranchised at ⅛ quit-rent.

3. It appears to the President in Council that the responsibility of the inamdar having ceased with the construction of the tank, no part of the inam should be resumed in such cases.

No. 9620—Rev. 43, dated Bangalore, 20th December 1876.

Order thereon.—Under the sanction now accorded by the Government of India in Under-Secretary's letter No. 7, R. I, dated 7th November 1876, Foreign Department, the following rules for the enfranchisement of kodigi inams in Mysore are promulgated:—

I. Inams granted to private individuals for the "*Construction and Up-keep*" of tanks will be enfranchised at ¼ quit-rent, where the Chief Revenue Officer of the District in which such tanks are situated certifies that the conditions of the grants have been fairly observed and that the tanks are now in use.

Where such certificate cannot be furnished, inams of this class will be enfranchised at ½ quit-rent.

II. Inams granted to private individuals for the "*Up-keep*" of Government tanks will be enfranchised at ½ quit rent, where a certificate to the effect stated under Clause I is granted by the Chief Revenue Officer of the District.

Proceedings of the Dewan to His Highness the
Maha Raja of Mysore
(Revenue) - dated 8th September 1881.

Read —

Proceedings No 9620 of the 20th December 1876 regarding the enfranchisement of Kodigi Inams.

No 4816-24 — 138, Dated Bangalore, 8th September 1881.

Order — The enfranchisement of Kodigi Inam lands was ordered in the belief that the inamdars who held but a portion of the lands under the tanks in inam and were often in poor circumstances with divided interests, did not take sufficient interest in maintaining the tanks in good repair. This, it is believed, is the general condition of things, and the enfranchisement was not only necessary to provide adequate arrangements for the efficient maintenance of the tanks in which numbers of ryots are interested, but also beneficial to the inamdars themselves who get their inam lands confirmed to them though subject to a quit-rent but are relieved of the obligation of repairing the tanks at a considerable outlay.

2. It is however understood that the Kodigidars in a few cases are not satisfied with this settlement which severs their connection with the tanks which had been constructed by their ancestors and which they consider it a point of honor to keep up. His Highness' Government considers that the enfranchisement should not have been compulsorily introduced in

such cases. The Dewan therefore desires that the Deputy Commissioners will institute an enquiry into such cases during the ensuing jamabandi settlement and submit a list of the cases in which the Kodigidars would prefer to retain these inams on the old tenure subject to the obligation of keeping the tanks in an efficient state. It should be clearly pointed out to them that the responsibility of repairing the tanks will be strictly enforced and that the resumption of the inams would follow in the event of their failing in these obligations.

3. The statement submitted should show the extent of the wet lands irrigated by the tanks, the portion of them held in Kodigi inam and the quit-rent imposed on it, the present condition of the tank and the wishes of the Ryots as regards the restoration of the tank to the Kodigidar's management and any outlay which may have been incurred by Government on the repairs of the tank since the inam enfranchisement, and any other facts which the Kodigidars may wish to urge on the subject.

(Signed) R. Vijayindra Rao.

Bangalore

Sir,

With reference to your docket No. 1334-11 dated 3rd March 1902 and subsequent reminders as per margin calling for the submission of a statement of Kodagi Inams, I have the honor to submit herewith a statement showing the names of inamdars who are granted cash payments instead of Kodagi allowances in the shape of grain in this District—

2. Nos. 1 to 8 and 9 of the statements

1. 3198-2 dt. 31.7.1903
2. 3084 dt. 7-4-1904
3. 1769 dt. 1.12.1904

Statement hereditary and Life grants respectively are shown and in column 10 life grants that have ceased owing to the death of some of the holders are entered.

3. It will be seen from the above statement that a sum of Rs 113-7-a has been fixed by the Irrn Department for the 5 Inamdars as particularised in the margin with a note against Serial Nos. 2 and 3 stating that in lieu of cash payments Rs 8 and 4 respectively, land should be given at the time of Survey and settlement and accordingly land was given in exchange to individuals mentioned in Nos 2 in 1921, while no land seems to have been given to the other recipient of Rs 4

2. Bagepalli — 8
3. Siddapatna — 4
4. Sheenapura — 15-
5. Gulbagal — 67-7-a
113-7-a

1. Kaivara Rs 19

After

After his death in 1891 this amount is held in abeyance by the Salvk authorities without payment to his heirs.

4. As casualities among life grants are not regularly reported, I beg to suggest that these payments may hereafter be ordered to be made under stipendary order so that any case of death may easily be brought to notice of the authorities.

Have the honor to forward herewith
a copy of letter No. 6060/27, dated
30th April 1907, received from
the Comptroller to the Govt of
Mysore, regarding the inade-
quacy of the present Budget
Provision under Medical allow-
ances in the Finance Budget
and to request to be informed
as to whether all the grants noted
in the accompanying state-
ment are in force now,
whether any of these Cash pay-
ments have been commuted
into land grants subsequently
to

to Indian Settlement and what amount is actually required to be provided in the Estimate Budget.

2. The favour of a very early reply is requested as any additional amount that may be required has to be included in the Budget before it is finally passed by Government.

Yours sincerely

(Sd) L. Ramalingaswami Rao
Secretary.

Dated Bangalore,
30th April 1907

No 6060/271

From The Comptroller to the Govt of Mysore

To The Secy to the Govt of Mysore
Revenue Dept, Bangalore.

Sir,

In forwarding herewith 2 statements showing the names of the stipendiary holders of Kerdagi Inams, hereditary and life grants, prepared from the statement received from the Inam Superintendent, and death reports forwarded by the Deputy Commissioners of Districts, I have the honour to state that the provision made in the Mysore Budget on account of these charges is Rs 167 (against Rs 323-13-) shewn in the statement. I request therefore that you will be so good as to inform me at an early date, whether the provision made in the Budget is correct, in which case pay-

to the extent of Rs 15.7/- will have to be reallowed.

I have etc

Sir,

Adverting to your docket № 5215-8 dated 4th May 1907 calling for information as to whether a Kodagi Inam cash allowance of Rs 9—8—0 is being paid to the Sri Chamakesava Swami temple at Belur etc, I have the honor to state that mention is made of this inam in the Receipt Statement of the Kasbah Cutcherry of the

reports that no references are forthcoming in the Taluk either as regards the conversion of it into a land inam subsequent to the issue of title deed or as regards the payment of the amount towards the funds of the temple, and that an amount of Rs 285° being the cash allowance since 1880 due to the temple may be ordered to be paid. As per title deed an amount of Rs 9-8-0 per year is required to be provided in the Budget.

2. The Amildar's report no 6 dated 10th July 1909 is herein enclosed for reference, and favour of return when no longer required.

I have the honor to be,
